From the Pres: Well with the passing of June 3rd the training for the year is over. The club certified 57 people this year, with the ages ranging from 12 to 57 years old. I would like to thank all the members who donated their Saturdays and the members who provided treats for the students to eat. The club always gets great complements from the parent on the training we provide.

Hats, yes along with coats the club now has hats. They will be at every meeting so come get one. Or call me and I can make arrangements for you to pick one up, the cost is \$10.00 for the blue ones and \$11.00 for camouflage.

See you at the June meeting.
