## Chatfield Trail

All the papers have been signed by the DNR, so the trail is official. July 7<sup>th</sup> there was a meeting held to plan for the trail and what will need to be done to make the trail safe and enjoyable to all. After the meeting, we rode the trail to see what needed to be done and where the signs needed to be posted. The first fallen tree was removed from the trail. The next day we headed out again and were accompanied by 2 skid steers, a rough cut lawn mower, ATVs, posts, and signs. The deep ruts were smoothed out, high weeds were cut, and pounding of posts began. We ventured out again this past Saturday, July 14, and continued with the process.

There is still plenty of work (fun) that will need to be done. So, if you missed out on one of these opportunities, never fear, there will be more. Watch for upcoming e-mails on fun days as they come up. If you can only come for a few hours, great! If you can stay for the day, GREAT! Really, it is more fun than work.

## Club Ride

The decision was made to go to Hurley, WI for our upcoming trip. Ten rooms have been put on hold until July 25<sup>th</sup> at Days Inn in Hurley, WI (715-561-3500). If you would like one of these rooms, you must call and reserve one under your name—right now they are all under my name (Jean Kroning). There are 6 deluxe non-smoking rooms with 2 queen beds for 74.70/night. 2 standard non-smoking rooms (I believe with 2 queens) for 65.70 and 2 standard smoking rooms for 65.70. The rooms are booked from August 1 to August 5<sup>th</sup>. They are giving us 10% off and not raising the rates for the weekend. Any room not officially booked by July 25 will be released to the general public.

The trip is for August 1<sup>st</sup> thru the August 5<sup>th</sup>. If you can not make it for all of those days, come for as long as you can.

## Drag Race

July 29<sup>th</sup> is our yearly drag race. It is a lot of fun, you can meet club members, race your machine, or just come and enjoy the day. The parade is at 1:00 with the drag race starting after that. Any and all help would be greatly welcomed.
