

# Bluff Country ATV Newsletter January 2008

## January's Meeting

We did not go for a ride after the January meeting due to the cold weather. We did have two new members join the club and some of our current members re-joined for another fun-filled year of riding and camaraderie.

## Club Trip

At January's meeting it was decided upon to go to Dead Horse Trail in Wisconsin. The dates that were chosen were July 30<sup>th</sup> through August 3<sup>rd</sup>. Please feel welcome to

come for all the days, or just the days that work with your schedule. I am still working on Hotel reservations and will hopefully have our options and prices at the upcoming meeting. If you are even remotely considering going along on the trip, send me an e-mail or give me a call and let me know so I can get a head count. I am looking at booking 10 rooms and will try to get a variety of rooms reserved for us. If you have any preferences on your room such as 2 queens, 1 king, smoking, fridge, etc., please let me know.

## Dues

Just a reminder to pay your 2008 dues, if you have not already done so. Along with your membership to our amazing club, you are included in the annual pizza party, each member attending the Christmas party will receive \$5 off dinner, T-shirts are given away at some of the events to club members that attend the event, and you will have unlimited access to our spectacular newsletter to keep you up to date and well informed.

Family membership is \$20, a single membership is \$15, and business memberships \$50. Dues can be mailed to PO Box 191, Rushford, MN 55971, brought along to the upcoming meeting, or submitted through the website (and paid). When you re-new your membership, this is a good time to update your membership information such as home phone numbers, cell phone

numbers, addresses, e-mails and family members to be listed. Family memberships include spouses and kids under 18, and college age children over 18 that are actively attending college.

## Youth Safety Training

The dates that were chosen for 2008 youth safety training are April 26<sup>th</sup> in Rushford and May 10<sup>th</sup> in Dover. May 10<sup>th</sup> has been confirmed in Dover, so that day is all set, please mark your calendars. We are still working on confirming the date for Rushford and will let you know as soon as it is all set. Thank you to everyone for their participation in the training that we have had in the past years. The more members we get to help out the more efficient and smooth the entire process runs from start to finish. Hopefully we will continue with our collective participation this year and in the future.

*I promised to keep the newsletter short this month, so I figure two pages is doing pretty well for me. Feel free to give me any feedback, but like always, complaints can go to the President.*
