

# Bluff Country ATV Newsletter March 2008

## March Meeting

March was the first meeting of the newly elected officers. Some retained their positions, others changed. Jeff (if you missed last months newsletter, he became

our new president) did a great job on keeping the meeting on track. I only had to wipe the water from behind his ears a couple times...

## The Last Hoopla of the Season.....

**Mitch**

**Mitch being pulled out by Brian and Jeff capturing the moment.**

## Club Trip

A block of 10 rooms have been booked for July 30 through August 3<sup>rd</sup> at the Super8 hotel in Hayward, WI. The price on the rooms for July 30 and 31 is \$78, the price will increase to \$86 for the weekend nights. The rooms that are booked are non-smoking with 2 queen beds. If you have a different preference, please call soon and request the type of room you would like at

715-634-2646. You can get discounted prices when you check in if you belong to AAA, were in the military, or belong to some kind of Trip Awards Program. When you call for reservations, tell them you are part of the Bluff Country ATV Club.

*Support the dealers that support ATV Clubs and riders!!!*

*Al's Specialty Marine*

*Hammell Equipment*

*M&M Lawn & Leisure*

*Daniel's Yamaha*

If you need a fridge in the room you need to specify this when you make the reservation because not every room has a fridge. The hotel said they have plenty of parking, but

there could be an issue if we brought 10 trailers. Pool hours (I know this is important to some) is from 8am to 11pm. If you would like to check out the hotel go to:

### Dead Horse Trail

**There is usually a way around**

**Taken off a bridge “somewhere” on the ATV/Snowmobile Trail by Hayward, WI**

### Youth Safety Training

The Youth Safety Training in Rushford is quickly approaching for April 26<sup>th</sup>. The Creamery in Rushford has committed to providing pizza for the students as they did last year. We have found that having lunch provided for the students is very beneficial as far as time flexibility and providing a time for the students (or parents) to have any questions answered.

Dover training is scheduled for May 10<sup>th</sup>. We are still working on where we will have the food brought in from but will hopefully have this resolved shortly.

There is still some room left in both classes, if you know anyone that would still like to get their certificate. The students need to be at least 11 years old by the day of the training class. Have them either call Brian at **507-932-5307** or register through the web. Most of our sign-ups have been coming through the website, which is really nice. Brian sends an e-mail back to the student after they sign up confirming he received their registration and gives them information that they will need to know for the training.

*M&M Lawn & Leisure*

*Daniel's Yamaha*

### Trail Work

At March's meeting we scheduled our first trail working day for April 5<sup>th</sup>. Thanks to Mother Nature, that day had to be cancelled. We were all set to try it again the next Saturday, but once again that did not come

to be. We are hoping that we will be able to make a little progress after the next meeting, if it dries up. Watch your e-mail for updates on when the next trail maintenance date will be.

### Up Coming Events
